

PUBLIC NOTICE

Tooele Chemical Agent Disposal Facility (TOCDF)

Located at the U.S. Army's Deseret Chemical Depot (DCD), Stockton, Utah

Class 2 Permit Modification Request: “MPF Zone Temperature Monitoring Thermocouple”

What is the permit modification about?	<p>This permit modification proposes a change in the way the MPF PCC low-temperature AWFCO is measured; instead of using the currently-required two thermocouples per zone to control temperature, TOCDF proposes using only one. No OPLs will change from the current OPLs, established by the MPF 155-mm Projectile Levinstein Agent Trial Burn (January 2008) and the Secondary Waste Demonstration Test (March 2006). The TOCDF requests that implementation of the change be allowed upon the State of Utah approval of the temporary authorization that accompanies this modification request.</p> <p>This permit modification request is identified as TOCDF-MPF-02-1030.</p>
When is the Public Meeting?	<p>A public information meeting on this permit modification request will be held at 6:00 p.m. on Wednesday, February 4, 2009, at the Tooele Chemical Stockpile Outreach Office, 54 S Main St, Tooele, UT 84074.</p>
Where can I find a copy of this permit modification request?	<p>A copy of this permit modification request is available for review by the general public during regular business hours at:</p> <ul style="list-style-type: none">→Tooele Chemical Stockpile Outreach Office, 54 S Main St, Tooele, UT 84074→Tooele City Library, 128 W Vine Street, Tooele, UT 84074→State of Utah Division of Solid and Hazardous Waste Offices, Department of Environmental Quality, 288 North 1460 West, Salt Lake City, UT 84116
Who can I talk to about this?	<p>The TOCDF point of contact is Mr. Trace Salmon at (435) 833-7428. The Permittees' (U.S. Army Chemical Materials Agency and EG&G Defense Materials) compliance history during the life of the permit being modified is available from the State of Utah Department of Environmental Quality [contact Mr. Tom Ball, Division of Solid and Hazardous Waste, at (801) 538-6170].</p>
How long is the comment period?	<p>The public comment period for this permit modification request lasts a minimum of 60 days, beginning Tuesday, January 6, 2009, and ending Monday, March 9, 2009. Written comments regarding this permit modification request can be submitted to Mr. Dennis Downs, Director, State of Utah Division of Solid and Hazardous Waste, Utah Department of Environmental Quality, 288 North 1460 West, P.O. Box 144880, Salt Lake City, UT 84114-4880, and must be received no later than 5:00 p.m., Monday, March 9, 2009.</p>

This public notice satisfies requirements of the Resource Conservation and Recovery Act and the Utah Hazardous Waste Management Rules (Utah Administrative Code R315).
